CENTENNIAL CELEBRATION ELK GROVE

Plans Receive O. K. At Town Meeting Last Tuesday

A special centennial celebration in Elk Grove township commemorating the hundredth anniversary of the settlement by the first white man to make his home here will take place some time this summer.

This was decided upon at the regular town meeting held at the Elk Grove town hall Tuesday afternoon, when a larger number of persons attended than have been at any town meeting here during the last eight years.

William Busse was elected moderator and presided at the meeting.

It was voted to appropriate \$500 to defray the expenses of the celebration which will include exhibits of products made and grown within the township and will be something on the order of a county fair.

Further details of the township celebration will be announced later. Mr. Busse explained at the meeting that a history of the township is being prepared and will be published if more than 500 books are desired by residents. One of the features of this book will be a complete list of all past and present officers of the township since it was organized as a political unit.

Retail Beer Sellers Must Have Government License of \$20.00

It may not be generally known that every person who attempts to sell beer to the retail trade must have a license from Uncle Sam, which costs him \$20 annually. Failure to get license subjects him to a heavy penalty.

The price of beer is not going to be cheap according to prices that have been announced. The cheapest advertised is \$2.60 per case. As much as \$3.20 a case is quoted for some beers. So it is not going to be a poor man's drink.

Many villages are marking time for as licensing places selling beer. For the present they are considering beer as a soft drink and subject to soft drink license regulations.

Beer to be sold at Mt. Prospect Soft Drink Parlor.

Prior to the passage of the Eighteenth amendment there was no prohibition law in effect in Mt. Prospect. The Village Board decided Wednesday night that soft drink parlors now having paid up licenses, could sell beer without any restrictions until May 1.

Many believe that since 3.2 per cent beer has been legally defined as non-intoxicating by the recent federal legislation, the new beer can properly be dispensed under the soft drink license in the village.

Kruse's lunch room, formerly a saloon, will again serve beer, it was learned this week, when it was reported that the thick dust of the last 13 years was being removed from the old bar which will be set up for service again.

Adolph Wille, who formerly had a saloon in Mt. Prospect, was reported to be preparing to return to his business with the new legal 3.2 per cent beer.

Regular Party Candidates Have Six Point Program

The Regular Party for the coming Arlington Heights village election, headed by Mayor J. D. Flentje, announce this week their candidacy upon a Six Point program comprising a balanced budget, low taxes, reduction in utility rates, employment for unemployed, law and order and home rule. The platform of the candidates seeking election under the name of Regular Party will be found on page two of this issue. The candidates are Julius D. Flentje for mayor; Gus Gramberg, Walter Krause, Jr., Chas. Pingel and John Firnbach, candidates for trustees.

Grade School Election Tomorrow, Village Hall

At the same time as the high school election tomorrow (4 to 8 p. m.), will be election of a president and two members of the board of education to District 25, Arlington Heights elementary public schools. The one polling place will be the Village Hall; those voting at the High School election may cast votes at the same place for the grade schools, for which there is no contest. The only ticket is for B. H. Jarvis for president, one year; and C. E. McWharther and W. H. Dick, members for three year terms.

PRESBYTERIANS ELECT OFFICERS

At the annual meeting of the First Presbyterian Church Wednesday evening, Mr. John Grose was elected elder, and Messrs. Alexander Lips, Charles M. Foreman, trustees; Mr. Cecil E. McWharther was elected trustee for the unexpired term of Mr. E. N. Berbeck. The meeting was preceded by a dinner.

"Three Springs" Woman's Club Cantata Tonight

The Arlington Heights Woman's Club Chorus will give a cantata entitled "Three Springs," in costume (with dancing) tonight (Friday) at 8 o'clock at the Methodist hall. The music is said to be unusually melodious and interesting; this cantata has recently come into special favor for ladies' choruses.

Special spring stage settings with elaborate floral decorations for this occasion are arranged by a leading landscape concern.

The personnel include: Mrs. J. O. Mitzlaff, director; Mrs. J. F. Manz, accompanist; Mrs. J. Gross, director of dancing; first soprano: Mmes. Davidson, Evans, Hertel, McWharther, Roth, and Salisbury; second soprano, Mmes. Daniels, Guild, Kelo, Mayer and Noyes; alto: Mmes. Ashton, Dobbins, Kaeppler and Utterbach; dancers: Blue Dorothy Kaeppler, Norma Meyer, Lois Manz; White, Barbara Salisbury, Miriam Noyes, Gladys Wilton; Gold, Marjorie Sayers, Lucille Eversole, Mary Mors; Butterflies, Patty Foreman, Jane Hayes, Ann Volz, Joy Ann Megel, Joan Pate.

The program follows:

AN OPEN LETTER

Arlington Heights Herald:

I am submitting for publication in your paper this week the accompanying letter addressed to A. C. Haake, Secretary of the Arlington Heights Township High School Board of Education.

I feel that the public has a right to know my answer to the attacks being purposely made upon me at this time for political reasons.

I ask that you give the attached letter the same prominence that you would to any other open letter of a semi-public nature.

Respectfully,
Wm. J. Hausam

April 6th, 1933.

508 N. Pine Ave.
Arlington Heights, Ill.

April 5th, 1933

Mr. A. C. Haake,
Mt. Prospect, Ill.

Dear Sir:

I am in receipt of registered letter containing resolution of the Board of Education of the Arlington Heights Township High School District No. 214.

As to the Nicholas J. Schaefer check dated May 28, 1928 please be advised, as you have been repeatedly, that this check was duly repaid from me in Case B 210513 lately pending in the Circuit Court of Cook County of which, being a matter of public record, you are chargeable with due notice. However you were told, as were the members of the Board, of the facts by me.

As to the \$200 check, I talked this over with the late Edward J. Tobin and he advised me that this was handled satisfactorily as I had an agreement with the previous Board for this sum.

Coming, as these charges do, on the eve of an election and following repeated threats to "get my job" of which I have positive proof in the form of statements, I have concluded that these charges are made in bad faith, with malice and that they are libelous. My attorneys advise me that unless a complete retraction is made within five days to file suit for a substantial sum, which I will do.

In case you decide to retract the charges please send a copy of the same to all to whom your resolution was sent.

In case your retraction is not forthcoming suit will be instituted on the 10th instant.

Yours very truly,
Wm. J. Hausam.

Schaumburg Township

One of the warmest elections in years took place in Schaumburg township Tuesday. Close contests are recorded for the offices of supervisor and Highway Commissioner.

The number of votes cast was 336.

Fred W. Pfingsten was elected Supervisor by eight votes. Though he was the only candidate on the ballot for that office he met with stiff opposition. John Meyer received 127 votes and Fred Botterman, 48.

Frank Sporleder was elected Highway Commissioner by a margin of 12 votes. August J. Geistfeld was runner up with 118 votes. Henry C. Winkelhake received 75 votes.

There were four candidates on the ticket for Tax Collector. William Gieseke was elected by a comfortable margin. The vote was, Gieseke 147, Louis Redeker 78, Emil Schrage 67, Fred Wille 39.

Herman Lichtner was elected assessor with 299 votes, Louis F. Kastning School Trustee with 283 votes and Rudolph G. Amling, clerk with 230 votes. They met with no opposition.

John Meyer and Emil F. Buchholz were elected Justices of the Peace, the former received 195 votes and the latter 210.

Albert and Fred Botterman were elected Constables, the former received 39 votes and the latter 14.

Palatine Township

The Palatine township election brought out a total of 1,292 votes. The greatest interest was shown in the race for collector for which there were seven candidates. With so many in the field it was anticipated that the race would be a close one.

Miss Grace Beutler, a resident of Palatine, all of her life and who is residing alone, defeated Wm. Heims, the retiring collector, by 20 votes. The two were tied in precinct No. 2. High vote went to Herman C. Devermann, candidate for assessor, with Supervisor John H. Meyer close behind. The vote was as follows:

High School Candidates in Open Letter

To the Patrons of the Arlington Heights Township High School and All Voters in the District.

Dear Friends:

In announcing our candidacy for president and members of the Board of Education of the Arlington Heights Township High School, we have circulated no letters, written no newspaper articles, made no house to house canvasses, attended no political meetings. We have acted on the assumption that candidates for such an office should be actuated only by motives of interest in the welfare of boys and girls now in high school and those to come after them. We have no personal grievance to satisfy and no private interests to serve. If elected, we are pledged to one thing only—the operation of what we believe to be the best possible high school consistent with economy and efficiency.

We believe that you as patrons and taxpayers appreciate the fact that Arlington Heights has had in the past and has at the present a high school of first rank, fully accredited with the University of Illinois, and a member of the N. C. A. of High School and Colleges.

The high school visitor, Mr. H. D. Trimble, says, "The scholarship in your school may be described as above average." "School citizenship and spirit excellent."

You have several very superior teachers on your faculty."

We propose to maintain this high standard of required education with a minimum cost.

The present board of education has been able to cut \$20,000 off the tax levy and still maintain this high standard and has reduced salaries and operating expenses by more than 20%.

They have constantly reduced the amount of tax warrants issued each year from \$67,000 in 1930 to \$44,000 in 1931, and \$27,000 in 1932.

Against the 1932 taxes only \$2,500 in warrants have been issued. This in the face of constantly diminished tax collections.

The present tax rate is the lowest among the suburban high schools of Cook county. We believe still greater economies can be effected and will do all in our power to operate the best possible high school with the least expense consistent with efficiency.

As candidates for the board we are in sympathy with the policies of the present board in seeking ways to keep the tax payer informed of how his money is spent. To this end we welcome the most complete examination and audit of all records pertaining to the school.

We welcome the constructive criticism and friendly suggestions of all persons interested in the education of our youth, but we believe the education of youth is too sacred a thing to be made the subject of attack and counter-attack and dragged through the mud of political intrigue. If such platform meets with the approval of the intelligent citizenship of the district we solicit your support on April 8th.

Theodore Miltzer
Clarence I. Davis
John T. Sayers.

No Contest in Park District Election

The election of the Arlington Heights Park District Tuesday resulted as follows: George K. Volz, 124 votes; Elmer W. Crane, 118; William Windheim, 125; and Taage, 128. There was no contest. The terms of Mr. Volz and Mr. Crane are for six years, of Mr. Windheim and Mr. Taage, four years each, being to fill vacancies.

Are These Men Competent To Dis- sect H. S. Affairs?

(Contributed in the Interests of
Miltzer-Sayers-Davis Ticket)

In order that the voters of District No. 214, may have an opportunity to judge the merits of candidates, we submit the following facts concerning the Miltzer-Davis-Sayers ticket:

For president of the Board of Education, to serve one year, Mr. Theodore Miltzer. Mr. Miltzer's entire lifetime, up to the present, has been spent in Arlington Heights, and his services in the community are too well known to need comment. For the past 31 years he has been home owner and a taxpayer in this community. He is a graduate of Concordia college, did graduate work at the Baltimore Conservatory of Music, and completed his training at the American Conservatory of Music in Chicago. He has been a member of the Hamilton Club of Chicago for years. He was for three years a member of the Grade School Board of Education, and for eight years president of the board.

He was the first school in the Arlington Heights Township High School Board and served continuously from 1914 to 1922. He was elected to the same position again in 1923, and served until 1926. In 1932 he was again elected to the same office, which he holds at the present time. He is a father of two sons and one daughter, all of whom are graduates of the local high school. His work with the community chorus is well-known to every citizen in Arlington Heights.

He has always been for the best of the intellectual and cultural life of the community.

Candidates for members of the Board of Education, to serve three years—Mr. John T. Sayers was born and reared in Cook county. The first thirty-five years of his life he spent on a farm near Oland where he was actively engaged in farming from the time that he was old enough to work on a farm. He is a graduate of the Lockport Township High school. He has spent three years as a salesman for the Ruhm Phosphate Company, in which position he has come in active contact with the farmers and the farmers' problems. He has taken an active interest in community life and was former District Commissioner of the Boy Scouts in the Northwest Suburban Council. He was with the General Electric Company for one year. Mr. Sayers is the father of two children, now students in the Arlington Heights Township High School. He has been for the past five years, a resident of Arlington Heights, is a home owner and taxpayer. At the present time, he is associated with the Cook County Farm Bureau as an employee of the Gardener's Supply Company, an affiliated organization.

Mr. Clarence I. Davis is a home owner and taxpayer, living at 515 S. Vail. He is the father of two children now enrolled in the Grade-Six Public school. He

Leonard Bloese will be confirmed Sunday in a class of 32 at St. Luke's Ev. Lutheran church, Park Ridge. He received "A" grade upon examination last Sunday.

Mr. William J. Stratton, former secretary of state of Illinois, was a visitor Saturday at the home of his sister-in-law and brother-in-law, Mr. and Mrs. W. L. Ankley. Mr. Stratton, whose home is in Ingleside, has recently returned from Arizona.

Fellowship Class Presents Fine Arts Glee Club in Concert

An enjoyable concert with an elaborately varied program was given at the Methodist church last Friday evening, under the auspices of the Fellowship Class, by the Fine Arts Glee Club, of Chicago. Perhaps the outstanding numbers in excellence of performance were the "Sextette" from "Lucia di Lammermoor," by Donizetti, given by soloists and the whole chorus; also the favorite soprano solo from "Madame Butterfly," "One Fine Day," sung by Miss Elsie Penz-horn. The chorus of about 30 voices appeared in different costumes, as did the vocal soloists, representing characters in opera. The numbers included readings in costume by Leila Paul, a violin solo by Henry Hoare, and an imitation radio program by a ladies' trio and announcer, Grace A. Prueger is director of the glee club. Tickets were free, but an offering was taken to go toward the social work of the club.

South Side Breezes

Calvin Hoyt planned a good April fool's joke on his wife Saturday evening. He took her to call on Mrs. Frank Sauer and while they were there, in came about twenty-five friends to surprise her. The evening was spent in playing cards and games, and dancing, not only modern, but also old time dances such as the Virginia reel. The prizes did not carry out the joke for they were all lovely. With bountiful refreshments served later in the evening, the party was voted completely successful.

Mrs. John Sayers visited her sister, Mrs. Frank Clark in the city from Friday until Sunday.

Barbara Barrett isn't going to forget for a long time that she was seven years old April 5. Twenty-two little girls helped her celebrate and for her complete delight, Maria Ruth Martens came, too, and sang "The King's Horses." The party carried out a springtime idea with potted plants as favors. Marshmallow bunnies contentedly sat on cakes topped with coconut grass. Even Mother Nature helped out by bringing a succession of showers and sunshine during the day.

Mr. and Mrs. Gustave Schaeffer enjoyed a family dinner at Albert Busse's in Mt. Prospect last Sunday. Family dinner seems to be a good way of expressing it, for there were nine or ten families represented in the group.

Mr. and Mrs. Fellingham and Mr. and Mrs. Monroe attended a triple birthday celebration dinner at Glenview Saturday evening.

Six Point Program and Statement of Regular Party Principles

- I. FINANCE**
We recognize the fact that public funds are Trust Funds, every penny of which must be accurately accounted for. Considerable progress has been made in the reduction of the Public Debt. This effort must be accelerated, keeping current expenditures within current (actual) revenues. The Budget must balance.
- II. TAXES**
Moneys spent by taxing bodies make up your tax bill. Frankly, we aim to keep Village taxes at the lowest possible figure consistent with necessary services.
- III. HIGH COST OF LIVING**
Gas, Telephone, Electricity. Consumers' costs are high. We will encourage a general reduction of same.
- IV. UNEMPLOYMENT**
Every true citizen is concerned about the problems of unemployment. Every feasible thing that can be done to relieve this acute situation must and will be promptly done.
- V. LAW AND ORDER**
This is a self-respecting community. We will not tolerate crime—every known safeguard to life itself must be maintained—We face the seriousness of today's problems, unafraid—we conform our program to established law and the usual accepted standards and normal practices.
- VI. HOME RULE**
We will contribute of our talent to the general development of the cultured area of which we are a part—resisting, however, with other suburban communities, any vestige of encroachment upon our right—to govern ourselves.

IN APPRECIATION

THANKS TO VOTERS
The candidates on the Service Ticket of Wheeling township take this means to extend their thanks to the voters who gave them so generous a support on Tuesday. As Service candidates they stood upon their past records and feel that the large vote given them is a mark of confidence in them and past service. The entire ticket regardless of the final result, unite in this expression of thanks and appreciation. The support given to the ticket by the many volunteer workers is also worthy of commendation and will be long remembered.

CANDIDATES OF THE SERVICE TICKET.

TO THE VOTERS OF WHEELING TOWNSHIP

Being appreciative of the support of the voters of Wheeling Township, it is my sincere desire to render such service as will justify this support. I appreciate the responsibility that goes with the office and I trust that I may have the same support in carrying out the duties which go with the office that you have shown towards me in the election.

Respectfully yours,
J. FRED MEYER

CARD OF THANKS

I wish to express my sincere appreciation for the support given me in the recent township election.
Thurman J. Dodge.

TO THE VOTERS OF WHEELING TOWNSHIP

Words can not express the appreciation I feel for the workers for the Home Rule Ticket, the voters generally and my friends for their support at the polls Tuesday, which elected me to the position of constable, a position which I will endeavor to fill to the best of my ability. I am fully aware that if it were not for the help given me, I would not have been elected.
William Heinemann.

CONFIDENCE APPRECIATED

My reelection as highway commissioner and the confidence of the voters as expressed at the polls Tuesday is appreciated by me, and I want to thank all those who gave me their support and vote. My record elected me again. The majority of the voters know what I have done in the past and what they can expect from me in the future. I have done my best to fill the office in a way that would bring the approval of the taxpayers.

I am more determined than ever to make every dollar of road money bring the most possible returns. I will appreciate any suggestions that will be made relative to road work and to anybody wanting information I will be glad to give it.

Respectfully,
HERMAN GARMS
Highway Commissioner, Wheeling Township.

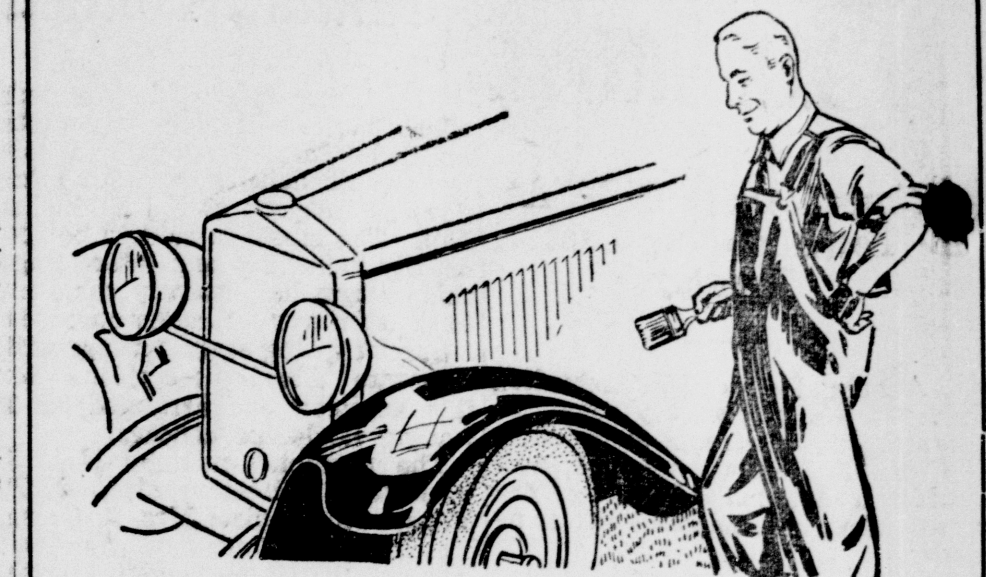

CARD OF THANKS

I wish to express my sincere thanks to all of my many friends and neighbors for the generous and gallant support given me and all of my associates on the Home Rule Ticket election day April 4th.
WM. A. MEYER.

FULFILL YOUR CIVIC DUTY

Col. and Mrs. Mumma and daughter from Ohio, are guests of Dr. and Mrs. McClintock in the Sieburg apartment on Park Place.

Friends of Mrs. D. G. Beaty were shocked to hear of her fall Tuesday morning on the stairs of her home. After summoning a doctor, she was taken to St. Joseph hospital, Elgin, by her neighbor, Mrs. J. Milligan. There it was found that her collar bone was broken and one shoulder seriously injured, as soon as possible Mr. J. Y. Beaty was called to his mother from his home at Oak Park. Her host of friends here are hoping Mrs. Beaty will soon recover. She is expected home in a few days.

"The Art Tour" for the Woman's club and friends, directed by Miss Irene Russell, chairman of the Art committee, will be given Wednesday, April 12. Don't fail to take advantage of this tour to Chicago's art galleries and bring your friends to share the rare treat. These wishing to enjoy this tour, ask for details of Miss Russell or Mrs. Heller, president of the club.

The Flower Show given this week on the Municipal Pier, started Sunday with an unsurpassed exhibit. Plants, flowers and all that a superlative flower show means. The Garlands are among those occupying space for their exhibits. Those who have attended the show, class it as the finest ever.

A very interesting meeting of Merle Guild Auxiliary was held Tuesday, April 4. A program under the direction of Mrs. Etta Fitzpatrick, Child Welfare chairman, details will appear next week.

The Arlington Bootery is making a specialty in Confirmation footwear this year and is offering special prices.

Mr. and Mrs. Henry Lierk, Jr., are parents of a baby born last week. While we could not get particulars, we were glad to give welcome right now to this new little citizen.

Thursday evening Mrs. C. C. Schwartz gave a delightful party in her home on East Euclid. In entertaining Mrs. Schwartz was assisted by others of her lady friends. Games and choice refreshments and a social, happy evening for all.

The Woman's Missionary society of the Presbyterian church will hold their regular monthly meeting Friday afternoon, April 14, in the regular place. An interesting program will be given and everybody is cordially invited to attend.

Many who have vacant lots are having them plowed or made ready for plowing in time for planting gardens.

Dr. H. A. Kossack received a telegram Sunday after evening service to come at once to his father, who was stricken suddenly seriously ill in his home at McGregor, Iowa. Being unable to connect with the northbound train, Mr. Elmo Williams in brotherly kindness, offered to take Mr. Kossack in his car. This he did accompanied by Forest Beaumont, leaving here about 11 Sunday night. They had Dr. Kossack at his father's home at 7 o'clock Monday morning. Good driving and good neighbors. At last accounts the stricken father was still dangerously ill. Mr. Kossack returned for the congregational meeting Wednesday evening.

Mrs. Lynch of Buffalo Grove, an aunt of Joseph Horcher and Antone Horcher, was buried Wednesday. She was 97 years old and died in her old home where she had lived many years. The burial was in Buffalo Grove cemetery. Relatives and friends from here attended the funeral.

Mrs. Katherine Lauterburg entertained the Pinochle club Wednesday last week in her home.

Long Life of C. Fred Militizer

Inspiring Example of Devotion
To Ideals in Christian Education

Christian Gottlieb Friederich Militizer was born August 3, 1852 at Schwand, a suburb of the city of Plauen in the kingdom of Saxony, Germany, and was baptized in the Lutheran church of the same place on Aug. 8, 1852. After attending a well equipped and thoroughly conducted school for eight years, he was confirmed as Thierbach on March 25, 1866.

At that time his parents contemplated to emigrate to America; but complications in the sale of their property prevented them from carrying out their intentions. In the year 1867 Mr. Militizer, together with his older brother, set out alone to join a pioneer settlement at Perry county, Missouri, with the ideals of Abraham Lincoln and the assurance of absolute religious liberty they could be held no longer in the country of their birth. For two years he was employed in preparing building material which was needed by the new colonists. When his parents joined him, they settled at Altenburg, Mo. For another year he helped them clear the virgin timber to prepare a suitable tract of land for farming purposes.

His desire had always been to continue his studies and prepare himself to become a school teacher. He was overjoyed when the opportunity presented itself. In the fall of 1870 he entered Lutheran Concordia Teacher's College at Addison, Ill. Having had a splendid preparatory equipment and applying himself conscientiously and strenuously, he completed the course in the spring of 1873, and was graduated from that college in June, 1873. At that time the Evangelical Lutheran St. Peter's congregation at Dunton, now Arlington Heights, Ill., extended a call to him to serve as teacher in their parochial school and to assist in their church services as organist and choir director. He was installed in August, 1873, and began his duties with a class of 105 pupils.

As a student he had already been a frequent visitor at the home of

Rev. Edmund Roeder. During these visits he became acquainted with the oldest daughter, Augusta. This happy romance resulted in a union which lasted 58 years. On May 17, 1875 the wedding ceremony was performed by the father of the bride. The trial and tribulations of a large family were not wanting—three children, two of them adults, were taken by death, but side by side they traveled through this vale of tears in perfect cooperation and devotion until the grim reaper parted them.

As a teacher, Mr. Militizer served the local Ev. Lutheran St. Peter congregation for a period of 56 years, from 1873-1929. Besides leading his charges in the faith of their Lord and Redeemer, he was also earnestly concerned with their education for this earthly life. His aim from the beginning was to prepare his pupils in such a way that they could enter the public institutions on a par with others. He never entered his classroom without a thorough preparation and while he may have been a strict disciplinarian, thousands of men and women in this community have shown their gratitude and appreciation in word and deed. During his faithful service he dispensed 4,511 individual school years.

A maxim which all of his pupils will remember was, "A Christian must always be a good citizen." Mr. Militizer lived what he preached, the welfare of his country and home community was at all times his concern. When already quite feeble, he insisted on being taken to the polls at the last presidential election. This was the last time he could leave the house. Within a week he was confined to his bed.

On March 28, 1933 at 10:20 p. m., he passed away, quietly without a struggle, into the hands of his Creator, Lord and Redeemer.

He leaves his ever faithful and self-sacrificing wife; one sister; four children; eleven grandchildren and two great grandchildren.

Arlington Heights

People Escape Injuries
From Earthquake

Cock County Herald, Arlington Heights, Ill.
Dear Mr. Editor:

Amongst the "Quake" items in your paper recently it seems there was some concern about myself and brother Henry, and I thought it best to write saying we were safe, though shaken up like a good many thousand other folk.

I sent several telegrams to our relatives in Chicago who at once phoned our people at Arlington Heights that we were safe, but evidently you did not hear of this. As we have relatives living in Long Beach we became very much worried over their welfare, and through the Friday night tried every means possible to get in touch with them, to no avail. The next morning, however, they showed up at our home after having spent the night on high ground, as it was feared they would not be visited by a huge tidal wave. This, however, did not happen and it was found that some one had spread this ghastly rumor without any foundations for it.

Having personally covered a large section of Long Beach on the Sunday following the quake, and again during the following week, we were surprised that the loss of life had not been more. The time of the quake, 5:54 p. m., was the cause for the small loss of life. Had it happened during school hours the loss amongst the children would have been great. It can be said that there is not a school or church standing in Long Beach that can be occupied at this time. We have been told that 2100 homes have been condemned, and 21,000 have been damaged.

Los Angeles, nor Pasadena, felt anywhere near the severity of the shocks that were felt in the other cities.

As much as we could find out, all of our Arlington Heights friends in California are safe, and we look forward to meeting them all at our next Arlington Heights picnic.

W. A. Boeger.

BARRINGTON

TO VOTE ON
LIQUOR SALE

Four Propositions Go On
Ballot April 18th at
Village Election

Just what the people want to do about the local sale of beer and wine will be determined at a special referendum at the time of the village election in Barrington, April 18. Four propositions will be put before the voters. Condensed, these propositions are as follows:

1. Shall the sale of beer and wine, 3.2 per cent alcohol by weight, be prohibited within the village?

2. Or, shall the sale of such liquors be in bottles only, not for consumption on the premises where sold?

3. Or, shall such beer be sold in restaurants, hotels, ice cream and soft drink parlors, under restrictions preventing the sale of such beer at bars, or served at any other place other than at tables?

4. Shall it be sold in bottles for consumption on the premises?

Although not binding on the Village Board, the board unanimously has passed a resolution providing for the referendum, and it is understood will voluntarily pass such an ordinance as the majority of the voters indicate. Temporary licenses for the sale of beer and wine will be granted, but will expire June 1, when a new ordinance, as determined by vote of the people, will go into effect.

Barrington became dry territory under local option, May 1, 1908, and has remained so since.

Miss Welch, Teacher
North Side School, Is
Severely Hurt in Crash

Miss Alberta Welch, eighth grade teacher in the North school, was severely hurt Saturday night, when returning with a friend from a Chicago theater. The car, in which she was riding was struck by another, the impact knocking down an electric light post, part of which fell into the car, making a compound fracture of the right leg. She also suffered body cuts. Taken to the Lake View hospital for first aid, she was removed later to St. Joseph hospital, Elgin, by Dr. Pfaff of Arlington Heights. Mrs. John Rolfe of Falmouth, the former Miss Helen Gagstetter, then teacher in the North school, is substituting for Miss Welch.

To Confirm Class
At St. John's Church

Following are the names of confirmands to be confirmed next Sunday, "Palm Sunday, at St. John's Evangelical Church in Arlington Heights, "Presentation and testimony" took place at the church at the morning service last Sunday.

Herald Mueller, Arthur Guenther and Vernon Pinnel; Eleanor Nelson, Erna Schultz, Ruth Hugo, Esther Stelling, Dorothy Tegtmeyer, Genevieve Dettmann, Helen Guenther, Evelyn Helfers, Erna Miers, Hulda Miers and Ruth Sebastian.

Our backward party was very successful. About 60 couples attended. There were plenty games, good prizes, eatables and drinks, now what more could be expected? After eating, the rugs were rolled up and all started to dance to Clyde McCoy's music via Speed's radio.

Don't forget that our next meeting is a joint Legion and Boy Scout meeting. It will be a great meeting and to quote one cub scout, "Gee, Daddy, we are going to meet with you and there will be cats and a magician there, too, you won't forget to go, will you?" And if Daddy fails to take his son that night will miss a good time for both. So you, comrade, be sure and be there.

The blanket campaign is now on. Drop in at our store on Campbell street (formerly Schmidt's market), and see the blankets on display—a Legion or Auxiliary member will be there all the time. Don't forget the campaign, boys, as the proceeds from it will take us to Rockford for the state convention.

Village Board
In Brief Session

The Arlington Heights village board met in regular session Monday night. Trustee George Kilm alone being absent.

Trustee Hauff, police committee chairman, reported that police records are satisfactory. \$593 had been turned into the village treasury from fines during the year. Mr. Hauff returned his badge of office, he having resigned as a member of the board. It was moved by Mr. Barrett and seconded by Mr. Schaefer that the report be accepted, and the motion was passed.

The street committee, Mr. Schaefer, chairman, reported several streets cleaned, roads graded, etc.

Mr. Framberg, chairman of the sewer committee, reported a complaint about an open ditch near Geffert's on W. Campbell street. He asked for men to clean it out, men working off water bills.

The water committee, Mr. Barrett, chairman, reported only 26 delinquent in water bills, an amount of \$163.11.

The Finance Committee, Mr. Krause chairman, presented a list of bills and payroll amounting to \$1664.38. He recommended that the bills be held until funds are available. The board concurred in the recommendation and accepted the report.

The dangerous pole of the Illinois Bell Telephone Company by the bend near the Arlington Seating Co. will be moved, it was reported. Mr. Schaefer had been asked to attend to this.

For the coming village election, George Volz, William Muller and August Becker were appointed as judges, and H. C. Bolte clerks. The appointments were confirmed. The meeting then adjourned.

Advice

Advice is like snow—the softer it falls the longer it dwells upon the mind, and the deeper it sinks.

It is a stern fact to realize that the well-being and happiness of every home is terribly dependent on each of its members. One false note destroys the chime. When the prodigal closes the door behind him, he shakes the very roof tree. It is not his empty chair he leaves behind; he leaves also bowed heads, broken hearts, and embittered lives. —E. Garrett.

CHRISTIAN SCIENCE CHURCHES

"Unreality" was the subject of the
Lesson-Sermon in all Churches of
Christ, Scientist, on Sunday, April 2.
The Golden Text was, "Thus saith
the Lord, What iniquity have your
fathers found in me, that they are
gone far from me, and have walked
after vanity, and are become vain?"
(Jeremiah 2:5).

Among the citations which com-
prised the Lesson-Sermon was the
following from the Bible: "The earth
mourneth and fadeth away, the world
languisheth and fadeth away, the
haughty people of the earth do lan-
guish. The earth also is defiled un-
der the inhabitants thereof; because
they have transgressed the laws,
changed the ordinance, broken the
everlasting covenant" (Isaiah 24:4,
5).

The Lesson-Sermon also in-
cluded the following passages from
the Christian Science Textbook,
"Science and Health with Key to the
Scriptures," by Mary Baker Eddy:
"Everything good or worthy, God
made. Whatever is valueless or
baneful, He did not make,—hence its
unreality" (p. 325).

COUNTY SUPT. STRESSES USE OF HOTBEDS

Add Much to Growing
Season; Use of Gardens;
Inexpensive to Make

By OTT O. F. AKEN

County Superintendent of Schools
Many amateur gardeners in city
and country are learning the value
of hotbeds and preparing to make
good production more extensive
than it was last season. I claim
that there has been a general neg-
lect of the hotbed idea, and have
decided to encourage and aid rural
pupils to start their vegetable
crops in heated frames a few weeks
before it is time to plant in the
open ground. These hotbeds should
be used all through April and con-
tinued with second and third crops
until midsummer.

It is very urgent that food crops
for family use shall be made as
successful as possible and we can
show by records in this state that
garden earnings may be doubled by
the use of hotbeds. A durable and
workable frame for hotbeds can be
manufactured by members of a
family without much outlay for ma-
terials. In most cases boards and
glass sufficient for the needs will
be found on the premises, but even
where these things have to be
bought the cost is not prohibitive.
The frames should be placed
where there is a good chance for
sunshine and protection from heavy
wind. If horse barn fertilizer is
not available a simple and cheap
electric contrivance is feasible. Di-

rectors of rural education are al-

such work.
Gains From Hotbed
Points needing emphasis are that
imperfect plants coming from the
hotbed do not go into the garden,
and the growing season is extend-
ed some weeks by getting a vigor-
ous start during April. There is
less waste of ground under such a
system, and there will be large and
uniform crops. The harder plants
may be placed in the open ground
by the first of May. In that cat-
egory are such things as peas, let-
tuce, radishes, carrots, onions, and
other products which are relished

in the early part of the season.
While they are maturing the less
hardy products may be getting
their start in the hotbed. In a
backward summer a cold frame
may be used for hardening vege-
tables. There is a large money
value in a garden so conducted.

Atlas gives you AGED BEER from the start!

With the return of real beer, millions are looking to Atlas.
They know that the brewers of the largest-selling malt-and-
hop beverage should supply the finest beer. They will not be
disappointed.

The making of good beer requires three primary things. First,
the use of finest-quality ingredients. Secondly, the exercise of
extreme skill and care in brewing. And thirdly, proper ageing.
Of these, none is more important than ageing.

Atlas Special Brew has been nothing less than the finest
real beer with the alcohol reduced, by extraction, after months
of ageing. Hence, Atlas today has in its vats huge quantities of
real beer which already has aged for months. No "short cuts"
will be necessary—no destructive hurrying of processes.

When you get ATLAS Beer, you can know you are getting the
finest—made of choicest malt, of
selected domestic and imported
Bohemian hops—and properly
aged to insure the flavor, zest and
smoothness you have long await-
ed. Insist upon ATLAS—at your
dealer's—or order a case from us.

will again make quality famous

Rheingold SAVOY SPECIAL Loewen Bräu New Life MALT TONIC

THE United States Brewery stands right
where it did fifty-eight years ago. It
supplied fine beers to exclusive clubs, se-
lect hotels, conservative restaurants, dis-
tinguished homes. It became Chicago's
quality brewery and is today the oldest
operating brewery in Chicago. These fine
old brews are here again—will be avail-
able to the public on and after April 7.

Many recall the clear, pale Rheingold
flavored with imported hops—the slightly
darker Savoy Special—and Loewen Bräu,
the "Lion Brew," a special dark beer.
And many who were frail now remember
the return of health that came with
New Life Malt Tonic.

Everything inside this famous brewery
is bright and spotless. The brewery has
been kept in order for the new day. Our
facilities and equipment for properly
aging beer are strictly modern, which
insures the finest quality—QUALITY
BEER MADE OUR REPUTATION.

A famous brewmaster is making right

now the grand old BEERS our parents
loved—Rheingold, Savoy Special, Loewen
Bräu and New Life Malt Tonic with its
old time strength and vigor.

We will not compromise with QUALITY.
We will not hurry our brews. Proper
aging is back of every one of our prod-
ucts. For QUALITY is our watchword.

The demand for good beer is so great
that we predict a shortage very soon. This
shortage will last until beer that is being
made now can properly age. During the
shortage there will probably be inferior
beer on the market.

Because of the demand for our products
we know that we will shortly be oversold
... But our customers have our unquali-
fied pledge that no inferior or under-aged
beer will ever be sold by this company.

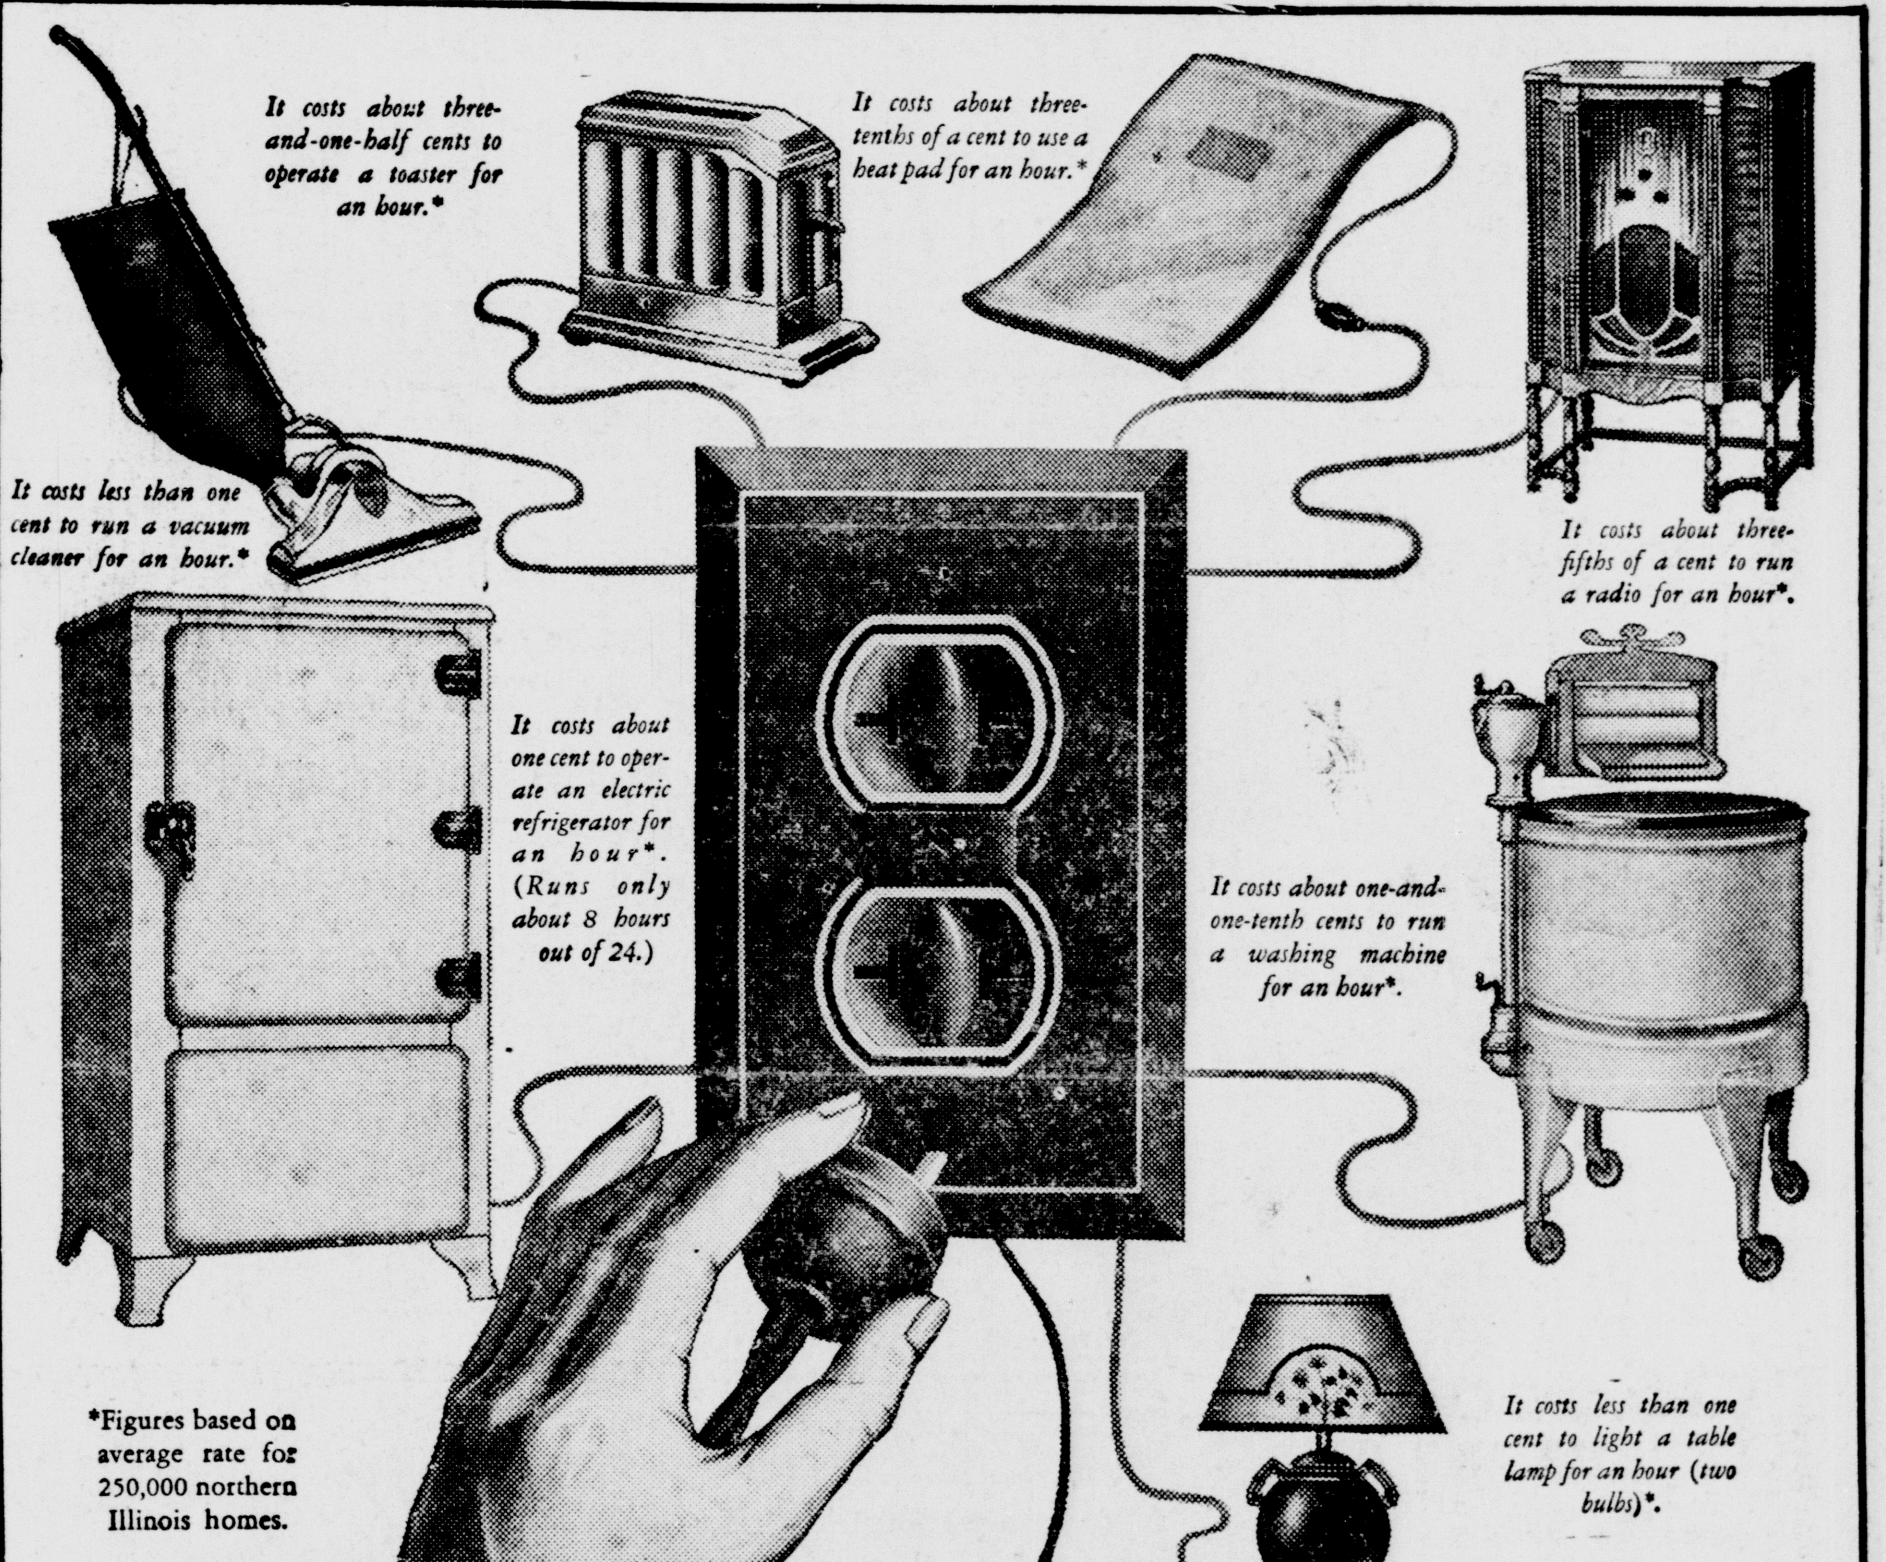

On and after April 7 you will find our
four famous beers in exclusive clubs, the
better hotels, the finer restaurants and
in the best of homes. Ask for our brands
and be sure of the real thing.

Where do you get more Comfort or Convenience?

Electricity is a busy servant. It sweeps carpets, washes and
irons clothes, helps with the cooking. It's on the job
day and night with no afternoons off.

Electricity is an iceman. It keeps a refrigerator safely chilled
below the danger point. It delivers ice cubes.

Electricity is a master entertainer. It brings the finest opera and
comedy, dance music and the news of the world into the
living room.

Electricity is a light-maker and an interior decorator. It illu-
minates dimly or brightly, according to the mood—one room
or a whole house, according to the occasion.

Electricity is a seamstress, a janitor, a personal maid, a nurse.

In half a score of roles, electricity is making your home
more cheerful, more comfortable, more carefree. Plug in an ex-

tension cord or snap a switch and it's ready to answer orders.

Behind these outlets and switches is a complicated system
of service. Tons of crushed coal are fed into furnaces to keep
boilers steaming. Machinery is humming. Men are constantly
on watch. Out along the lines more men are on duty to keep
miles of copper wire, buried underground and swinging over-
head, pulsing with current every minute. More than 3,000
employees are working throughout this system to bring you
continuous 24-hour service.

And yet, for all this service, you pay very little. The bill for
all the electricity used amounts to only a small portion of the
family budget. Where else could you possibly get more com-
fort and convenience?

Interesting Club
Formed by Children;
Give Own Program

Future celebrities in P. T. A. Woman's Club and Lions club in Arlington Heights are being developed. A number of north side third graders have formed a little club of their own. They have fully organized, electing their own officers, and making rules for the club. Last Friday afternoon they entertained a number of the moth-

ers to a little entertainment—all of their own making and planning. Each one of the approximately twenty children took some part—there were recitations, piano solos, duets and group singing—each presentation being given with their best efforts. At the close of the program the children, with the help of two of the mothers, served ice cream and cake, and the mothers went home very glad for having seen the fine spirit of the children. The youngsters owe much thanks to Mrs. B. E. Burkitt, 502 N. State road, who has showed the children to meet in her home, and has given

en them a great deal of help and encouragement. The name of this little club is "The Good Times Club" and the officers are: President, Jean Davidson; secretary, Marjorie Moodie; treasurer, Betty Burkitt. They meet once each week, with dues of one cent per meeting, the money so collected to be used later for some "Good times."

PING PONG TOURNAMENT

Whoever wishes to enter the Ping Pong tournament in Arlington Heights, had better hurry to "Framberg's" before it is too late and ask for an entry card. Entries will be limited to 75.

The tournament starts April 17 and will continue on the 18th and 19th. Immediately after the first round a consolation tournament will go into action for all losers. On the last night doubles teams will play to prove just who are the best doubles players in the village. These matches will be very keenly contested and will be well worth while witnessing.

Tables have been built at the M. E. church by the Rev. W. L. Whipple and our old pal Charley McElhose, will be finished this week and they have done a wonderful job. It seems that some ladies are a little backward about entering the women's events which will be played at the same time but they are promised that there will be many entrants in these events, and there is nothing to be afraid of. Spectators are welcome at the nominal charge of ten cents. The tournament is being sponsored by the Fellowship class of the M. E. church.

ARL. ELEV. AND KEHE MOTOR
TIE FOR FIRST PLACE

Like a pair of good race horses, the Arl. Elev boys and the Kehe Motor Truck drivers are coming down the home stretch neck and neck, fighting for first place on that Monday night league, which comes to an end in two more weeks, so you bowling fans are sure to see some real bowling the next two weeks. Monday night the Kehe Motor boys won three games from the Sterling Oil team, while the league leading Elev. boys were losing two games to the Arlington Recreation five, who, of late, have been some real trouble makers for the leading teams. The Winkelman Dairy team, after losing ten games, won one game

from the Arl. Beverage boys, who are tied for third place. Next week line-up: Alleys 1 and 2—Arl. Elev. Coal vs. Sterling Oil. Alleys 3 and 4—Kehe Motor vs. Winkelman Dairy. Alleys 5 and 6—Arlington Recreation vs. ARL. Beverage club.

GIVES RULES FOR SALES TAX COLLECTIONS

Applies on Food, Clothing, Farmers' Own Food Products Exempted

MERCHANTS TO PAY ON GROSS SALES

Preliminary regulations on the new Sales Tax are summarized as follows:

1. "All retailers must make a return each month from April 1, 1933 to July 1, 1935, stating their gross sales receipts from sales of goods, wares, merchandise and commodities. Such report must include cash, charge or time sales, whether or not payment is received during the month. Returns are to be made on a form prescribed by the department of finance which will be available at the offices of the county clerk in each county of the state after April 20, 1933.

2. "At the same time that the monthly return is filed the payment of the tax covering sales for that month must be made.

3. "The tax does not cover receipts from sales of motor fuel, farm products sold by the producer, sales made in interstate commerce, or sales to the United States government. Sales for resale by manufacturers, jobbers, wholesalers, and others are not included. Compensation received primarily for services rendered is not included.

4. "Every retailer must state on the container or sales ticket (with the exception noted below) the following:

"The selling price of this property is included in receipts upon the basis of which the seller is obligated to pay 3 per cent to the state of Illinois."

"If by reason of the nature of the retailer's business it is impracticable to put the above legend on the container or sales ticket, then he must display on posters the following:

"Purchasers are hereby notified that as to each item of property sold the selling price is included in

Sales Tax Pointers

Illinois' three per cent sales tax bills were signed Wednesday, Mar. 22, by Governor Henry Horner, and despite an injunction to the contrary, collections are being made subject to possible refunds to purchasers of goods.

Revenue from the operation of the tax will be allocated to the state's 102 counties on the basis of population for unemployment relief purposes or for reducing school taxes.

The Department of Finance, Joseph J. Rice, Director, is charged with enforcing the new tax.

Preliminary regulations governing its operation were given out last week by the Department of Finance and appear in a separate column. Additional rulings will be given to the public within a few days.

Revenue derived from the tax during April is payable on or before May 15, and county allotments will be made not later than May 25. Each succeeding month's collections are due on the 15th, and will be apportioned to counties within ten days.

Every person engaged in the business of selling tangible personal property at retail is required to make a detailed report to the Department of Finance, every month.

The term "tangible personal property" does not include farm produce sold by the producer, or motor fuel, as defined in the Motor Fuel Tax law of 1929.

"Selling price" means the price paid or to be paid without deduction on account of the cost of the property sold, the cost of the materials used, labor or service cost, interest or discount paid, or any other expense whatsoever. In the case of sales which are partly money and partly something else other than money, the selling price shall be only that part paid or to be paid in money.

Upon each carton, box, wrapper or other container of merchandise, or upon a sales ticket delivered to the purchaser, each retailer shall display the following language:

"The selling price of this property is included in receipts upon the basis of which the seller is obligated to pay 3 per cent to the State of Illinois."

No retailer shall advertise or hold out to the public, in any manner directly or indirectly, that the tax is not considered as an element in the price to the consumer.

FIGHT OUTSIDE CONTROL THRU STATE AUDITS

Another of the pernicious bills that are designed to give the City of Chicago control over state politics and at the same time to control the municipalities, this time, of not only Cook county but the entire state of Illinois, is under fire of the executive committee of the Suburban Area and Country Towns Association of Cook County.

This bill introduced by Elmer J. Schnackenberg, Republican, has the apparently laudable purpose of limiting tax spending. But through grants of power to state and county departments of finance the bill has been rendered decidedly unacceptable to any of the municipalities in Cook county.

A state finance department would be given the power to compel all local governments to submit for examination their budgets or appropriation ordinances before they are adopted, and to insist on regular audits acceptable to the state department. Provision would be made for uniform accounting systems and for developing unit cost standards for the various governments. Bond issues would also be approved or disapproved.

For Cook county a special board of local finance would be set up to cooperate with the state director in handling the fiscal activities of the municipalities within the county.

A county board would inevitably come under the domination of Chicago and that city is hardly in a position to teach any other municipality in Cook county how to handle finances. The towns of Cook county prefer to handle their own finances. The present county board's failure to respond to the popular demand for lower taxes offers an additional reason for preference of handling our own fiscal affairs through our elected officials and citizens committee which have been created in some communities such as Evanston.

It is true that budgets should be checked before adoption by some one outside the elected officials, but that some one should not be the state or county, but local groups interested in the services provided by government, and taxpayers' groups interested in seeing that the utmost is secured from every dollar spent.

Regular audits of unquestionable integrity should be required of local governments, but a state law is not necessary on the subject. Uniform accounting systems and unit cost standards can be worked out through the cooperation of existing governmental bodies without the creation of new ones.

The proposed bill would not limit tax spending but would keep it at a higher level than that provided by local checks.

passed an ordinance prohibiting the erection of any wooden buildings within the fire limits of the village, without the permission of the village board.

Dairymen Turn To Fruit as Balance In Farm Business

Urbana, Ill., April 3—Farmers in the dairy area of northern Illinois, who were selling more than 38 million dollars' worth of whole milk, cream and butter annually in the last census, are showing a record interest in fruit growing as a means of supplying their home needs and adjusting their production to market demands, it is reported by R. S. Marsh, horticulture extension specialist of the College of Agriculture, University of Illinois.

As evidence of this new interest, 54 of them recently attended demonstrations on pruning and spraying which Marsh staged in one week in Dupage, Lake, Kane, Jo Daviess and Stephenson counties.

"This is a record attendance for this type of work and indicates that these farm people are making a sincere attempt to grow their home supply of fruit and at the same time balance their production of other farm products with demand. Their chief interest was in grapes, raspberries, strawberries and apples.

7. "Any retailer who fails to make a return or to keep proper books or records, or who wilfully violates the provisions regarding advertising and display of legend upon containers or sales tickets, or in his place of business, or who violates any other rule or regulation for the enforcement of the act, will be guilty of a misdemeanor and on conviction shall be fined not less than \$25 or more than \$5,000 or be imprisoned in the county jail for not less than one month or more than six months, or shall be both so fined and imprisoned at the discretion of the court."

Merchants are expected to make their returns on gross sales, not individual sales.

WHEELING
Mr. and Mrs. Olin Ellwood are happy to announce the birth of an 8 1/2 pound baby girl, born to them last Wednesday morning, Mar. 29. The Zinkel family have moved from Wheeling and will take up their residence in Prairie View, which had also been their home formerly. At present they are staying with relatives in Mt. Prospect. The Jacobs family have moved into the residence recently vacated by the Zinkels.

A goodly number of Wheeling Troop Boy Scouts and some of their parents attended a public meeting held at Des Plaines last Thursday evening. Gunner Berg, a national director in the Boy Scout movement was the speaker of the meeting.

The Childerley Band and Orchestra, under the direction of Mr. Sears, their director, gave their annual musical at the Community hall last Friday evening, to which the public was invited. An interesting instrumental program was presented, which was supplemented with outside talent by the way of a reader and several vocal selections. Light refreshments were served after the concert. A sale of home-made candy was also held, the proceeds of which benefited the Wheeling P. T. A.

Mr. J. R. Allais, of Atlanta, Georgia, visited friends here last week.

Miss Mary Bazzo was taken sick last Wednesday, with what developed to be scarlet fever. She was removed to a contagious hospital on Saturday. All activities at Childerley were suspended at once, and precautions taken to check any possible spreading of the disease. At their regular meeting on Monday evening, the village board

New Waves New Permanents For Easter

The Chicago Beauty Show in progress this week revealed many changes in waves and manner of handling permanents that the up to date Miss and her older sister will want to know about—if her coiffeur is to be correctly done for the Easter Season.

I will be most happy to explain the new methods and use of oils that are now being adopted in all First Class Beauty Shops.

I urge early appointment for Easter Work.
